

## Council on Aging Services for Seniors Investment Opportunities

\$1,000	Meals on Wheels Corporate route sponsorship
\$1,200	Meals on Wheels for an entire year for a homebound senior
\$1,500	Daily Money Management bill paying services for a year for a low income senior
\$7,500	Provide for social work/counseling interns for senior grief and depression support services
\$10,000	Computerize ten remote dining sites so that they may serve as a vehicle for seniors to submit an online grocery order and have them delivered to their home
\$12,500	Provides for a part time paralegal to assist at risk seniors in maintaining their housing and income.
\$15,000	Provide for a part time Case Manager who will make well checks on seniors whose families are not in the area
\$20,000	Meals on Wheels Cargo Van to transport meals to remote dining sites
\$35,000	Hot & Cold Truck to triple the capacity of two Meals on Wheels routes and eliminate the waiting list

## Entrepreneurial Opportunities

- Design complimentary for-profit service components that will be attractive to seniors with means and help to subsidize underfunded services for low income seniors.
- Create, locate necessary recourses and implement a senior transportation system.
- Create a retired attorney and paralegal program to provide legal services to low income seniors.
- Create a senior citizen advocacy academy to empower seniors on their own behalf.
